

REMARKS

Claims 1-24 are pending. Claims 1-24 are rejected under 35 U.S.C. §112, second paragraph, as being indefinite, but Examiner has indicated that all claims would be allowable if rewritten to overcome the rejection.

Claims 1, 8, 10-12, 14-16, 19-20, and 24 have been amended to correct the informalities identified by Examiner. Claims 1, 2, 9, 10, 17 and 18 have been amended to recite that intermediate modulo solutions are indicated to be the modulo remainder, R if the quantity of the respective intermediate modulo solution is less than 23. Claims 5, 6, 13, 14 21 and 22 have been amended to recite that intermediate modulo solutions are indicated to be the modulo remainder, R, if the quantity of the respective intermediate modulo solution is less than 79.

Accordingly, Applicant submits that claims 1-24 have been rewritten to overcome the rejection under 35 U.S.C. §112, and allowance of all claims is respectfully requested.

CONCLUSION

In view of the amendments and remarks set forth herein, Applicant respectfully submits that all pending claims are in condition for allowance. Accordingly, Applicant requests that a Notice of Allowance be issued. Nonetheless, should any issues remain that might be subject to resolution through a telephone interview, the Examiner is requested to telephone the undersigned at 512-338-9100.
